Our Association is Sailing on

by Mario Gardolfi

The elections have just taken place and for another three years, our Association will be guided by, more or less, the same people as before. You can find the names of the elected here after

At the General Assembly held on 8 March last, Women's Day, I confirmed that the Association will continue with its usual programmes.

There will be a wonderful cruise May 15 to 24, a dinner at the end of term time and one at Christmas. We will take part in conferences, studies, seminars, the "San Giorgio" award, and other activities involving Genoa's "school planet".

This year our members and councillors, Prof. Armando Fioravanti and Capt. Virgilio Bozzo, have finished reviewing and updating the volume "Storia del Nautico di Genova". It will be available in the month of May.

The report presented to the General Assembly by the treasurer Capt. Giuseppe Russo showed that, from the financial point of view, our Association is in excellent health, a fact quite unique in these days.

The commitment and enthusiasm of the new Board of Directors are as strong as always and I am quite convinced that we will be able to perpetuate a tradition that honours Genoa and its Maritime School.

The Annual General Meeting

The annual general meeting of the Association was held at 4.30pm on 8 March. The 2012 budget, presented by our President and by our treasurer, was approved by the members present.

The Women's Day Cocktail

After the Association annual meeting on 8 March, there was a party at I.T.N. San Giorgio. The refreshments - which included: sangria, tapas, pizza bread, Parma ham, focaccia, parmesan, and a selection of cakes - was enjoyed by a large number of members, relatives and friends.

A mimosa branch was offered to the ladies to celebrate Women's Day.

We wish to thank all the people who contributed to the organisation of the event and, in particular, our "chef" Dino Fioravanti and his wife Mariella, who made all the cakes.
