# Towards the twinning with Nautico Imperia

by **Bauer**  
(abridged)

During the bicentennial celebrations of 'Scuola Nautica Statale a Genova' on November 16, 2016 at the conference entitled "Which training for the future graduates?" at Sala Maestrale of Porto Antico Convention Center in Genoa, we met the President, com.te Vassallo, and the secretary, com.te Serafini, of the Association "Ex Allievi e Docenti del Nautico di Imperia". Unfortunately, that day we had no time to talk but we decided to meet in Imperia to enter a twinning.

Unfortunately we have not yet managed to do so. In fact, over a month ago, Com.te Serafini suggested we could do it at their Annual General Assembly. However, this proved to be rather difficult to organize. So the Board sent me to the Assembly to find another more suitable date for the twinning between the two Associations.

The Imperia Association Annual General Assembly took place in the new Auditorium of the Maritime Museum. Among the people present there were Mr. Nicola Podestà, *'Assessore alla Cultura della Città di Imperia'*, Mr Paolo Auricchia, the Headmaster of *'Nautico Andrea D'Oria'* of Imperia and Mr.Giannardo Vassallo, the President of the Association

Sever people took the floor. When I was invited to speak, I presented our Association and promised to return to Imperia with a number of our members to enter the twinning.

After the speeches, scholarships were awarded to two students of Imperia *'Nautico'* (deck and engine). Then there was an exchange of crests and gifts. The gift of our member Capt.Gianni Casoli - the first Italian "Tricolore" (three-colour flag) - was particularly appreciated.

Gianni Casoli lives in Reggio Emilia but he attended *'Nautico Andrea Doria'* of Porto Maurizio from 1950 to 1952 before transferring to *Nautico San Giorgio of Genoa* to become a marine engineer.

After the assembly we had lunch at *'Cipressa'* and then visited the amazing Naval Museum.

I am convinced that our Associations can profitably work together to reach the goal of enhancing the professionalism of the Italian maritime students and protecting their interests.
