# Best wishes for 2020

by Francesco Boero  
(Summary)

(To read the text in its complete original version go to the Italian site - La Carretta n.140)

Francesco remembers the sad events of the year and tanks the members who did their best for the smooth running on of the Association

The San Giorgio Award ceremony took place as usual. Many people were present in *Salone delle Compere* but unfortunately there seemed to be fewer people from the maritime world and from the press.

In 2011 there will be the celebrations of the centenary of *Nautico San Giorgio* since it was in 1821 that Nautico San Giorgio became independent from *Vittorio Emanuele II* and moved to *Piazza Palermo* from *Largo Zecca* taking its new name.

Francesco hopes that a good number of companies from the maritime world will contribute

Christmas is coming and Francesco remembers those who are no longer with us and those who are far away at sea. He thinks about the things that might have been done but weren't done and hopes they will be done soon.

He presents his best wishes for the new year, ending his letter by wishing, as usual,

**Safe sailing and zumbai**

## A Letter from the New Headmaster

**Prof. Paolo Fasce**

(Summary)

(To read the text in its complete original version go to the Italian site - La Carretta n.140)

After greeting everybody (students, parents, colleagues, fellow teachers, the school staff, and school collaborators, *Ufficio Scolastico Regionale* of Liguria, *Ufficio Scolastico Territoriale* of Genova, friends of the maritime world and the members of our Association) Prof Fasce expresses his happiness for having been appointed Head of *Nautico S. Giorgio* starting from 1 September 2019. He tanks Angela Pastorino, who was Head of the School for six years for her help.

He explains that until August 31, 2019, he had been working in a number of technical school in Genoa (*Rosselli, Abba, Montale, Marsano, Einaudi-Casaregis-Galilei*) as a teacher with additional duties and responsibilities.

Marletta, the Headmaster of the School when he was a boy, was a family friend and his father had worked as a psychologist for the School in the eighties.

He is getting to know the school students, the dynamics of the school and the relationships that the school has with the territory and is currently also working on the school website.

He is committed to maintain the high quality standards of the School.

The door of his office and his mailbox (fascepaolo@itnautico.edu.it) are always open.

Prof. Fasce ends his letter with his best wishes to everybody

This year, the 2019 San Giorgio plaque was given to Marco Novella for his activity in the maritime field. He helped many students to join the crew of his ships as cadets.

students of *Istituto Nautico San Giorgio*. The fifth class students Elena Ferrari 's and Manuel Arenzani 's speeches were greatly appreciated.

Unfortunately, Simone Saba, one of the best fifth year students of Logistics could not access Sala delle Compere, being in a wheelchair, and was awarded his prize by Angela Pastorino on the ground floor.

Awards and prizes were also given to the best Deck and Engine Cadet Officers of *Accademia Italiana Marina Mercantile*.

The room was crowded. The ceremony was attended by authorities and by several of our members, and by a group of members of *Associazione Marinai d'Italia* of Genoa. Our member and friend, Prof. Decio Lucano, who contributed to create the Award in 1967, was present. Unfortunately, Mario Gandolfi, who has always had a key role in the Awards, could not be present..

Guard of Honour: some students of *Nautico San Giorgio* wearing the beautiful sweaters of the school, and some students of *Accademia Italiana Marina Mercantile* in their elegant uniforms. The ceremony was followed by the usual buffet.
